"All the world's a stage
And all the men and women mere players.
They have their exits and their entrances
And one man in his time plays many parts."

William Shakespeare

From The Editor's Desk . . .

William Campbell High School furnishes the stage on which the school drama of 1962-1963 takes place. The Annual Staff aims to make the scenes of this drama come "to life" by presenting all the phases of the curricular and extra-curricular programs of the school.

The administration, faculty, students, and other school personnel are the players and act the parts that make these days at William Campbell High School memorable ones.

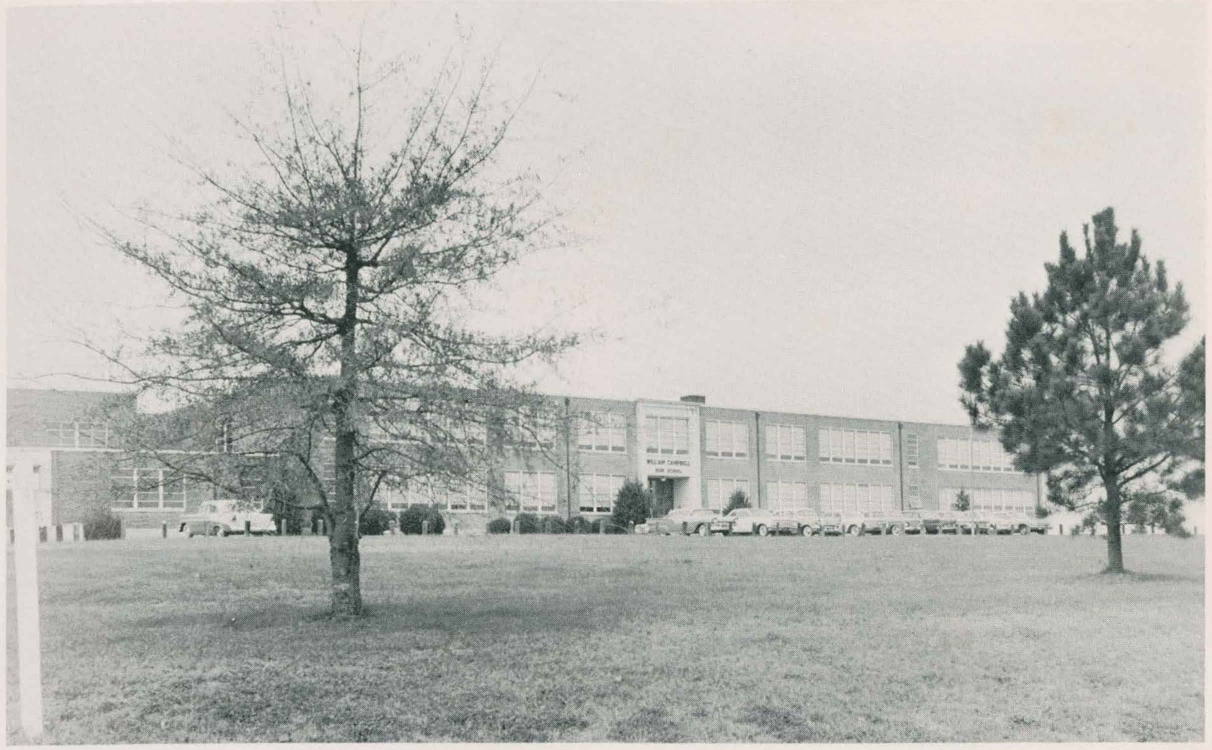
The Setting Is William Campbell High School

Back of School

Agriculture Building



W. C. H. S.

In the fall of 1951, 251 students from Brookneal, Gladys, and Naruna were enrolled as the first students of the new consolidated William Campbell High School. The total number of faculty members was 16. The building consisted of 11 classrooms, a library, art room, music room, home economics department, a guidance room, projection room, cafeteria, and offices. The elementary building directly behind the high school and the agriculture building, located to the right of the main building, completed the scene for the beginning of the history of William Campbell High School.

The school located on Highway 501, Naruna, Virginia, was named for William Campbell, a general who distinguished himself because of his heroism in the battle at King's Mountain during the Revolutionary War. That first year the high school had three athletic teams known as the GENERALS.

Today, twelve years later, William Campbell High School has an enrollment of 460 students and 23 faculty members. With the addition of a new wing completed in 1961, the building now has three additional classrooms (including a new art room and music room), a new science laboratory, and a language laboratory.

This year William Campbell's first football team appeared on the scene to replace the three year old soccer team. In addition to football, William Campbell now participates in interscholastic basketball, baseball, volleyball, track, and softball. The boys' teams are still known as the GENERALS while the girls' teams are GENERALETTES. The school colors are navy blue and gray.

Alumni

Fifteenth Year

How did the past fifteen years go?
For many it was planned just so,
College, jobs, and dreams to come true,
With plans for the future to do.

For some it has been happiness,
For others there has been sadness,
But we shall not stumble and fall,
As God is watching over us all. . . . .
